OTHER PROFESSIONAL ACTIVITIES

Organisation of conferences and workshops

- 2015 – 2016 Lead organizer for the Formal Epistemology Workshop 2016 in Groningen
- 2014 – 2015 Series of “Chance Encounters” on theories of deterministic chance, University of Groningen
- 2013 Graduate conference on Theoretical Philosophy, University of Groningen, assisting the graduate students
- 2012 Conference on the Frontiers of Rationality and Decision, University of Groningen, in collaboration with Olivier Roy
- 2012 Workshop on Agreement at the Institute for History and Philosophy of Science and Technology (IHPST) of the University of Paris, in collaboration with Mikael Cozik and Denis Bonnay
- 2012 Graduate conference for the Dutch Network for Philosophy of Science and Technology (NFWT), Erasmus University Rotterdam

- 2011 – 2012 Workshop on Radical Uncertainty at Ludwig Maximilians University, in collaboration with Hannes Leitgeb and Olivier Roy
- 2011 Conference on Model Selection, University of Groningen, in collaboration with Prof. E. Wit (mathematics) and Prof. E. van den Heuvel (epidemiology)
- 2010 Workshop on Rationality and Decision, in collaboration with Jake Chandler and Olivier Roy, at the University of Leuven
- 2010 Workshop at the occasion of the retirement of prof. dr. T.A.F. Kuipers at the University of Groningen
- 2009 – 2010 Tri-annual conference of the Dutch Association for Philosophy of Science (NVWF)
- 2009 LSE-Groningen exchange workshop, in collaboration with Olivier Roy, University of Groningen
- 2009 Symposium “Philosophy of Evolution”, in collaboration with Jan Degenaar and the Centre for Ecological and Evolutionary Studies (CEES), University of Groningen
- 2008 – 2009 Symposium “The concept of time”, in collaboration with the BCN research school, University of Groningen
- 2008 – 2009 KNAW colloquium “The effect of causality: State of the art, open problems, and future directions”, in cooperation with D. Borsboom, L. Waldorp, and E.J. Wagenmakers
- 2008 – 2009 Prolog 2009, workshop on “New approaches to rationality in decision making”, University of Groningen
- 2007 – 2008 Organisation of “Kuipers' Comparatief Realisme”, symposium of the Dutch Association for the Philosophy of Science (NVWF), Spui 25, Amsterdam
- 2007 Co-producing an installation and exhibition at art gallery NP3, Groningen
- 2006 – 2007 Prolog 2007 conference on Probability and Logic at the University of Kent, as part of the Prolognet collaboration
- 2006 – 2007 Workshop on Methodological Problems in the Social Sciences, Tilburg Institute of Logic and Philosophy of Science
- 2006 – 2007 Tri-annual conference of the Dutch Association for Philosophy of Science (NVWF)
- 2006 – 2007 Conference on Probability and Logic in the Foundations of the Formal Sciences (FotFs) series, University of Amsterdam
- 2006 Research colloquia for Psychological Methods, Department of Psychology, University of Amsterdam
- 2005 One-day workshop “Kolmogorov’s Toolkit” on the occasion of my PhD graduation

Editing

- 2015 – 2016 Proceedings of the EPSA15 conference, with Gerhard Schurz and Michela Massimi
- 2014 – Starting up the new Journal of Mathematical Philosophy
- 2014 Special issues on radical uncertainty in *Erkenntnis*, and on Deliberation in *Economics and Philosophy*, with Olivier Roy
- 2011 Special issue on model selection of *Statistica Neerlandica*, with E.J. Wit and E. van den Heuvel (Groningen)
- 2009 Proceedings of the third Prolog Workshop as a special issue of the *Journal of Applied Logic*, University of Kent, with F. Cozman, J. Williamson (Kent), G. Wheeler (Lisbon) and R. Haenni (Bern)

- 2007 – 2009 Proceedings of the Foundations of the Formal Sciences Conference VI, University of Amsterdam, with B. Loewe and E. Pacuit
- 2008 Special issue of *The Reasoner*, September 2008
- 2007 – Member of the editorial board of *The Reasoner*, monthly digest highlighting exciting new research on reasoning and inference.

Programme and steering committees

- 2015 Programme committee for Prolog2015 at the University of Kent
- 2015 Programme committee member for “Decisions, Games and Logic” at LSE
- 2014 – 2015 Co-chair of the programme committee of the European Philosophy of Science Association conference in 2015 (EPSA15), with Michela Massimi
- 2014 Programme committee for the Descartes Lecture conference in Tilburg and the Games, Decisions and Logic conference at the London School of Economics
- 2012 Graduate conference for Philosophy of Science in the Netherlands, Erasmus University Rotterdam
- 2010 – 2011 Computation in Europe (CiE) Conference on Models of Computation in Context
- 2009 – 2010 Future of the Philosophy of Science (FPS), Tilburg Centre for Logic and Philosophy of Science
- 2008 – 2009 Member of the programme committee of the conference of the European Philosophy of Science Association in 2009 (EPSA)
- 2008 Steering committee of the Prolog conference series on Combining Probability and Logic

Administrative duties

- 2015 Chair of NWO committee for “Vrije Competitie” grants
- 2013 – Director of the Research Methods section, University College Groningen
- 2012 – Chair of the section Theoretical Philosophy of the national research school in philosophy (OZSW)
- 2011 Committee member for distribution of VENI grants for the Dutch research council NWO
- 2010 – 2012 Coordinating the lecture series for the BA and MA students Philosophy of the Special Sciences at the University of Groningen
- 2008 – 2012 Coordinating the programmes of the BA and MA Philosophy of the Special Sciences at the University of Groningen
- 2006 – Secretary of the Dutch Philosophy of Science Association (Nederlandse Vereniging voor Wetenschapsfilosofie) until 2013, ordinary board member thereafter
- 2005 – 2006 Member of Ethics Committee, Department of Psychology, University of Amsterdam

Contract research and public-private partnerships

- 2014 – 2015 Advice on a report about social deliberation in appeal courts
- 2013 – 2014 Contract research for exhibition “Pure Veerkracht” in the Natuurhistorisch Museum Rotterdam
- 2012 – Courses for BONG (Bijscholing Noord-Nederlandse Gerechten) on probabilistic reasoning and legal vs scientific truth finding, and on collective decision making (including internship at the courts)

2011 – Initiator and contract researcher for “Trovato”, a system for tracking museum visitor behaviour, currently installed at the Drents Museum and the Natuurhistorisch Museum Rotterdam

Refereeing

American Statistician; Erkenntnis; Synthese; Mind; Philosophy of Science; British Journal for the Philosophy of Science; European Journal for the Philosophy of Science; International Studies in the Philosophy of Science; Journal of Philosophical Logic; Studia Logica; Journal of Logic, Language and Information; Minds and Machines; Logique et Analyse; Journal of Applied Logic; Journal of the Indian Council of Philosophical Research; Philosophical Psychology; Journal of Mathematical Psychology; Psychonomic Bulletin and Review; Theory and Psychology; Preventative Medicine; South African Journal of Philosophy; Theoria; numerous edited volumes and several grant applications from NWO, FWO, and ERC.

Oppositions, tenure cases, and reading committees

2015 Reading committee for Tahel Ronel, Department of Mathematics, University of Manchester
2015 Reading committee for Matthias Madsen, Department of Philosophy, University of Amsterdam
2015 Tenure case for Philosophy Department of Northeastern University, USA
2015 Opposition to Karolina Krzyzanovska, Department of Theoretical Philosophy, University of Groningen
2014 Reading committee for Dominik Klein, Department of Philosophy, Tilburg University, including a report on the *cum laude* proposal
2014 Tenure review for Department of Logic and Philosophy of Science, University of California at Irvine
2014 Opposition to dr. S. Schirmann, Department of Theoretical Psychology, University of Groningen
2013 Reading committee of dr. C. Lisciandra, Department of Philosophy, Tilburg University
2013 Opposition to dr. H. Hinnema, Faculty of Philosophy, University of Groningen

2014 – Promotor of O. de Wiljes, Faculty of Philosophy, University of Groningen, with supervision by F.A. Keijzer
2014 – Co-supervision of M. Sznajder, Munich Centre for Mathematical Philosophy, Ludwig Maximilians University Munich, with H. Leitgeb as promotor
2012 – Supervision of T. Sterkenburg (as promotor), Faculty of Philosophy, University of Groningen, together with P. Grünwald, Centre for Mathematics and Computer Science, Amsterdam
2012 – Supervision of P. van der Kolk (as promotor), with F. Hindriks, Faculty of Philosophy, University of Groningen

- 2012 – 2013 Co-supervision of N. Gill (as co-promotor), Faculty of Mathematics and Natural Science, University of Groningen
- 2011 – 2016 Supervision of R. Hermens and P. Dziurosz-Serafinowicz (as promotor), Faculty of Philosophy, University of Groningen
- 2011 – 2015 Promotor of Franziska Köder, Faculty of Philosophy, University of Groningen, with supervision by E. Maier
- 2010 – 2015 Supervision of H. van Loo (as promotor), together with R. Schoevers and P. de Jonge, Psychiatry, University of Groningen
- 2008 – 2013 Co-supervision of R. Kievit PhD together with D. Borsboom and L. Waldorp, Psychological Methods, University of Amsterdam
- 2007 – 2010 Co-supervision of R. van de Schoot PhD (as co-promotor), together with H. Hoijsink, Psychological Methods, Utrecht University

Ongoing

- 2014 – Philosophy of Probability, MA course (~20 students)
- 2011 – Interdisciplinary reading group on probability and statistics (~15 participants), with R. Morey and/or J. Sprenger
- 2008 – Supervision of end projects for MA (9 graduates), BA (21 graduates), Honours students (4 projects) and tutorials (7 students)
- 2007 – Philosophy of the Natural Sciences, third year BA course for philosophers and students from the natural sciences (~40 students)

Selection of past courses

- 2012 – 2014 Scientific Representation, MA course on analytic and continental approaches to science (~15 students)
- 2010 – 2012 Introduction to the Philosophy of Science, first year BA course for philosophy students (~50 students)
- 2009 – 2012 Introduction to the Philosophy of Science, minor (~80 students)
- 2009 – 2010 Statistics and Causality, MA course (~10 students)
- 2009 – 2010 Analytical Methods, research MA course (~5 students)
- 2008 – 2010 Philosophy of Psychology, in cooperation with dr. F. A. Keijzer, second year BA course for philosophy and psychology students (~30 students)
- 2008 – 2010 Belief, Probability and Uncertainty, general MA course (~5 students)
- 2008 Introductory course on Probabilistic Logic and Probabilistic Networks at ESSLLI 2008, University of Hamburg (~25 students)
- 2007 – 2008 Formal Approaches of Scientific Method, MA level, Faculty of Philosophy, Groningen, in cooperation with prof. dr. T. A. F. Kuipers (~15 students)
- 2005 – 2006 Supervision of BA thesis and research projects (~4 students)
- 2005 – 2006 Philosophical foundations of psychology, BA 2nd year, Department of Psychology, University of Amsterdam (~300 students)
- 2005 – 2006 Master courses on statistical inference, causality, and philosophy of science, Department of Psychology and Institute of Logic, Language and Information, University of Amsterdam (~20 students)
- 2005 – 2006 Reading group for philosophy of psychology, with dr. D. Borsboom, Department of Psychology, University of Amsterdam (~20 students)
- 2004 Truth approximation and Bayesian methodology, in cooperation with prof. dr. T. A. F. Kuipers, MA level, Department of Philosophy, University of Groningen (~10 students)
- 2003 – 2004 General philosophy of science, BA 2nd year, Faculty of Philosophy, University of Groningen (~30 students)
